NEW! We Love Ponies!
with Kimberly Hunter
Class starts in the zoo classroom and then children will walk over to the covered zoo round pen to learn hands-on how to groom, saddle, feed and care for ponies and how to keep them healthy. You'll then go on a hand-led ride! Finally you'll return to the zoo classroom to make an arts and crafts project to remember your special time with your pony. All ponies were rescued by Ponyland and brought to the zoo from their home ranch in Orangevale for this program. **Please wear closed toe/closed heel shoes and bring your bike helmet.** Due to the ponies' small size, maximum weight to ride them is 70lbs; children who do not meet this criteria may spend extra time grooming and leading ponies.

Morning Session for ages 4-11
(Ages 2 & 3 permitted if accompanied by parent/guardian age 16+)
