Playtime: the Art of Toys

November 15, 2013 - January 9, 2014
Reception Friday, November 15
6:00 pm - 8:00 pm
With Live Music and Refreshments

The holidays are filled with gift-giving and nostalgic memories of childhood toys; for those we wished and for those we received. Perfect for this time of year, "*Playtime: the Art of Toys*." Two artists will bring to life those holiday dreams with large-scale acrylic paintings by Michael Sacramento and mixed-media toy assemblages by Rebecca Casey.

Michael Sacramento's work is based on the idea of memory and emotional connections. Each subject is tied to a particular experience - whether childhood, environmental or heritage.

Rebecca Casey discovered that clay was the perfect medium for her colorful, whimsical pieces. She creates assemblage sculptures from old toys, and adds clay heads, hands and other details to create fanciful figurative pieces.

Join us for the opening Reception, Friday, November 15, 6:00 pm to 8:00 pm with live music and refreshments

During the reception, shop at our **Special Holiday Student Art Sale**
