TO: Mayor and City Council Members
FROM: Fire Chief
SUBJECT: **RESOLUTION NO. 7584 – A RESOLUTION AUTHORIZING AN
AERIAL FIREWORKS DISPLAY DURING THE 45th ANNUAL
FOLSOM PRO RODEO ACTIVITIES**

BACKGROUND & ISSUES

Chapter 9.36 of the Folsom Municipal Code addresses the use of safe and sane fireworks, as well as those used for public display within the City. Per Section 9.36.020, “public displays of fireworks may only be given when authorized by resolution of the city council, after recommendation of the fire chief, and when under the supervision of a licensed pyrotechnic operator.”

The licensed firm of Pyro Spectaculars has been secured by the Folsom Chamber of Commerce to perform this public aerial fireworks display from a secured area in the southwest corner of Rodeo Park near the end of Sutter Street on the evening of July 4, 2005. In addition, Pyro Spectaculars will be providing a public aerial fireworks display from the Rodeo Arena Grounds on the evenings of July 2, 3, and 4, 2005. The Fire Department has worked with this firm on previous public displays within the City and always maintained a safe and cooperative relationship. The Fire Department is coordinating the safety requirements for this display with the Pyro Spectaculars and the State Fire Marshal’s Office.
