The Gallery at 48 Natoma

The City of Folsom opened the Gallery at 48 Natoma in June of 2007. An interesting line-up of art exhibits showcases a wide variety of professional art by regional and national artists, area museum collections as well as national traveling exhibitions. Whether you "know what you like" or are interested in seeing something completely different; from the conservative to the cutting edge – there will be something here for everyone.

"This gallery is featuring artists of great caliber, and is building a reputation for itself in Northern California."

"This show rivals recent showings of California art at the Crocker Art Museum in Sacramento, and future exhibits promise to be of additional cultural significance. Folsom's little free, community art gallery is absolutely worth taking the time to visit."
