Dear Mr. Graening:

**SUBJECT: FOLSOM CORPORATION YARD LANDFILL  
LOCATED AT 1300 LEIDESDORFF STREET, FOLSOM CA 95630  
FACILITY NUMBER 34-AC-0001**

On November 6, 2009, the LEA received the Landfill Clean Closure Certification Report dated November 2009 for the Folsom Corporation Yard Landfill. The Plan was prepared by Brown and Caldwell on behalf of the City of Folsom and was submitted for the purpose of documenting clean closure of the landfill in accordance with 27 CCR 21810. The plan is also for the purpose of obtaining a "Certification of Clean Closure in accordance with Title 27 requirements. The Sacramento County Environmental Management Department as Local Enforcement Agency (LEA) has the responsibility of commenting on these Plans and insuring that all requirements within its jurisdiction are met.

The LEA has completed its review of this plan and makes a finding that the plan meets all of the requirements within its jurisdiction. The plan is currently under review by the California Integrated Waste Management Board (CIWMB) who is the agency responsible for issuing the certification of clean closure for this site. Once the certification of clean closure is issued by the CIWMB, the site will be removed from the LEA's inventory of closed sites and will no longer be required to be annually inspected.

Once again, thank you for your submittal of the Landfill Certification of Clean Closure Report for the Folsom Corporation Yard Landfill. Please feel free to contact me at (916) 875-8578, should you have any questions or require any assistance.

Sincerely,
