8) **Commissioner Comments**

Commissioner Feinberg stated that she mentioned at the last meeting that her husband has a link with the Folsom Symphony, he would like to know what the purpose of the library having a table at the symphony would be, she requested staff to send her an email with the information.

Commissioner Marks agreed with Commissioner Feinberg that she too needs to know the purpose of the library having a table during performances at the 3 Stages; she asked that she receive an email as well.

Commissioner Ryan stated that the Commission should be involved in making the decisions on what the community outreach should be, possibly brainstorm and work with staff to pick some events to get the word out about what the library has to offer.

Commissioner Reinking stated that part of the reason the outreach issue came up was for fundraising ideas, it might be better to work with the Friends of the Library.

Commissioner Reinking shared that she was shopping, on a Sunday, and overheard 2 teenage boys talking they said “there’s nothing to do, let’s go to the library”.

Commission Chair Ryan thanked staff for bringing the difficult information (on the budget) to the Commission

9) **Adjournment**

Meeting adjourned at 7:38 pm.
