ATTACHMENT TO
Determination of Applicability to Model Water Efficient Landscape
Ordinance AB1881 - Effective January 1, 2010

The Model Water Efficient Landscape Ordinance is a state-mandated program that has been adopted by the City of Folsom as a local law. Your compliance is mandatory and the completion and submittal of accurate required calculations is the obligation of the property owner, and you are required to certify **UNDER PENALTY OF PERJURY** that the information is true and correct. If you have any questions about how to fill out any form, it is your obligation to seek professional assistance or to make appropriate inquiries of City staff.

By signing below, I/We certify that we have read the foregoing and understand that the documents submitted to the City of Folsom in this regard are true and correct and that we understand that it is **illegal to submit incorrect or false information** with respect to the form determining applicability of the Ordinance.

The Determination of Applicability form attached hereto is true and correct and is executed in Sacramento County, California under penalty of perjury on the following date.
