

SUMMARY OF ORDINANCE NO. 1155

AN ORDINANCE OF THE CITY OF FOLSOM ADDING CHAPTER 17.114 TO TITLE 17 OF THE FOLSOM MUNICIPAL CODE PERTAINING TO MARIJUANA CULTIVATION

Ordinance No.1155 is scheduled for adoption by the Folsom City Council on January 10, 2012, and if adopted, will become effective on February 9, 2012. A complete certified copy of the proposed ordinance may be viewed either on the City of Folsom's web page www.folsom.ca.us or at the Folsom City Clerk's Office, 50 Natoma Street, Folsom. You also may request a copy be mailed or faxed to you at no charge by calling the City Clerk's Office at 916 355-7270.

The purpose and intent of this ordinance is to regulate the cultivation of marijuana in a manner that protects the health, safety and welfare of the community. This section is not intended to interfere with a patient's right to medical marijuana, as provided for in California Health & Safety Code Section 11362, nor does it criminalize medical marijuana possession or cultivation by specifically defined classifications of persons, pursuant to state law. This section is not intended to give any person independent legal authority to grow marijuana; it is intended simply to impose zoning restrictions on the cultivation of marijuana when it is authorized by California state law for medical or other purposes, and to restrict that cultivation to indoor portions of single-family residential structures.
