VI. UPDATE ON CORPORATION YARD SOIL PILE

Manager Poggione reported the soil stockpiled at the Corporation Yard was temporary storage from work being done in Historic Folsom and ultimately would be removed from the corporation yard.

VII. INPUT FROM COMMITTEE MEMBERS ON L&L DISTRICTS

Blue Ravine Oaks-Member Soulsby asked what the schedule was for the sidewalk work; commented that a tree was removed near Blue Ravine/Crossing; commented that SMUD marked some trees on Blue Ravine; and inquired if some tree replacements would reduce number of trees in wells from two to one. Manager Poggione responded: Public works is going out to bid end of February for sidewalk work; a tree was removed because it was failing; City crews/SMUD marked trees years ago on Blue Ravine and such markings may not be valid anymore; and yes some tree wells may only house one new tree.

ARCN-David Taylor wanted to thank Staff/City for recent sidewalk repairs.

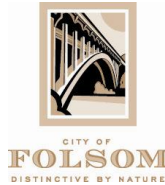

Cobble Hills Ridge/Reflections-Mary Mast wanted to thank Staff for new sign in Natural Park.
