

Don't kill your lawn with kindness

a little water goes a long way

More than 60% of local water is used outdoors and at least half of that is wasted. Learn painless ways to reduce water use by calling for a *free* appointment with a City water conservation expert.

- ▶ How much will it cost to have a City expert analyze my sprinklers? Nothing. Nada. Zilch.
- ▶ Why bother? Reduce water use and your water bill, and your landscape, will be better for it.

Call TODAY and a City water expert will put you on track to lower water use, lower water bills and improve landscapes! (916) 355-7252 or waterconservation@folsom.ca.us
