

The Gallery at 48 Natoma

The City of Folsom opened the Gallery at 48 Natoma in June of 2007. An interesting line-up of art exhibits showcases a wide variety of professional art by regional and national artists, area museum collections as well as

national traveling exhibitions. Whether you "know what you like" or are interested in seeing something completely different; from the conservative to the cutting edge – there will be something here for everyone.

- Exciting art experiences for **ALL AGES**
- Each exhibit is approximately five to seven weeks long
- Opening receptions are usually the first Friday of each exhibit
- Most art is available for sale
- The gallery is free and open to the public
- Hours are Monday to Friday 9:00am-5:00pm, and Tuesday and Wednesday evenings 6:00 - 8:00pm with some additional hours by appointment
- Special tours and art workshops for schools and groups by arrangement
- Volunteer, docent and intern opportunities available for those that want to get more involved in the arts

Local, emerging artists and students will also have opportunities to exhibit their work in the Community Exhibition space within the art center.

Most exhibits are scheduled a year in advance. To request gallery guidelines and an application to exhibit, please contact the gallery coordinator.

The exhibits and programs are generously sponsored in part by: the "Take pART in the ARTs" program, the Folsom Arts Association, the Dyer Family Foundation and generous community support.

Please let us know if you would like to help support the gallery with a donation.

"This gallery is featuring artists of great caliber, and is building a reputation for itself in Northern California."

"This show rivals recent showings of California art at the Crocker Art Museum in Sacramento, and future exhibits promise to be of additional cultural significance. Folsom's little free, community art gallery is absolutely worth taking the time to visit."
