

# Second Saturday Art Workshops at the Folsom Art Center

**LOCATION: 48 NATOMA STREET**

Join us on the second Saturday of the month to learn a new craft or explore a new art technique or media. A variety of different workshops are offered each month, as well as open studio times for current Folsom Art Center students.

## Rise Above: Painting Experience

with *Alison Tomei*

Immerse yourself in this mini-retreat of painting as meditation and personal journey! Learn a personal painting practice and simple 4-step process that ensures that anyone can paint, have fun and receive the stress relieving benefits of meditation. This workshop is based on the book *Rise Above* by my mentor, Whitney Freya. <https://whitneyfreya.com>

### AGES 16+

211862-01 Sa 5/11 10:00A-1:00P

**FEE:** \$57 / \$50 resident discount; \$5 supply fee

## Get Organized! Take Control of your Digital Photos!

with *Judy Bujold*

Learn the basic steps to organizing your digital photos, including scanning and digitizing, how to download your photos from various devices and social media sites, tagging, cloud services, renaming, and various ways of backing up your photo collection.

### AGES 18+

211851-01 Sa 6/8 9:30A-12:30P

**FEE:** \$42 / \$35 resident discount

## Beginning and Intermediate Acrylic Painting

with *James Marxen*

Have fun while learning the elements of painting, mixing colors and conceptualizing a painting. At the end of the class participants will have painted one masterpiece on a 16"x20" canvas. Materials list provided on receipt.

### AGES 18+

241122-01 Sa 6/8 9:00A-1:00P

**FEE:** \$57 / \$50 resident discount

## The Power of Color Workshop

with *Edward Mallory*

For many artists, lack of color knowledge and their ability to create accurate mixtures remains a significant obstacle. This class is for anyone who wants to master color, its properties, and applications. And how they work to create the illusions of dimension and perspective in painting. Learn Edward's step-by-step method for mixing color and the context for how those mixtures directly affect your painting outcomes. All materials provided.

### AGES 16+

211863-01 Sa 7/13 10:00A-1:00P

**FEE:** \$67 / \$60 resident discount

## Digital Journaling

with *Judy Bujold*

Share your collection of writings, memorabilia, and photos and create a digital journal to share with family and friends. Bring up to 50 photos, memorabilia, or articles that are either loose (for scanning), or digital photos in a folder. Learn how to upload your memories, add text, and design a memoir. Laptops and/or iPads/tablets required.

### AGES 18+

211861-01 Sa 8/10 9:30A-12:30P

**FEE:** \$47 / \$40 resident discount

## Printmaking: Cyanotype

with *Kathleen Noble*

Learn the photographic process called cyanotype that botanists and artists have used for the past 150 years to document plant species and create gorgeous works of art. All materials will be supplied for each participant to produce four beautiful 8x10" blue and white prints ready to frame. Bring an assortment of plant materials and/or interesting objects that will make white images on a blue background.

### AGES 13+

211864-01 Sa 8/10 10:00A-2:00P

**FEE:** \$52 / \$45 resident discount
