

# Storing leftover pesticides?

*Clean out leftover pesticides (such as those containing Chlorpyrifos, Diazinon, Lindane or Pyrethroids) or other chemicals by safely disposing of them through Folsom's Household Hazardous Waste program. Proper disposal of these chemicals will help protect our waterways and the environment.*

**Dispose of pesticides and  
other chemicals through  
Folsom's Household  
Hazardous Waste (HHW) Program.**

**Free Pick-up Service  
for Residents**

*For more information about water quality and pesticides, visit [regionalsan.com/pollutants](http://regionalsan.com/pollutants).*

*A message sponsored by Regional San.*

# *Need to safely dispose of mercury?*

*Folsom's Household Hazardous Waste Program will accept mercury-containing items, such as compact fluorescent lights (CFLs), silver mercury thermometers, and thermostats. Proper disposal of these items will help protect our waterways and the environment.*

*Many retailers will now accept used CFLs and thermostats. Check [bemercuryfree.net](http://bemercuryfree.net) to find a local recycler.*
