

# City WORKS DAY

**City Lions Park**  
(next to Folsom Public Library)

**The City of Folsom** invites you to join us on May 13! Celebrate National Public Works Week and explore the City's many services—meet the people that protect, serve, build and maintain Folsom.

City Works Day features dozens of fun hands-on attractions for families! It's FREE!

Hop in a fire engine or garbage truck cab, or play at a stormwater table. Come see, touch and even honk Police vehicles and construction equipment.

City Works Day is designed to inspire residents to discover the City's wide variety of public services and programs.
