

Landscaping & Lighting Districts Preliminary Engineers Report

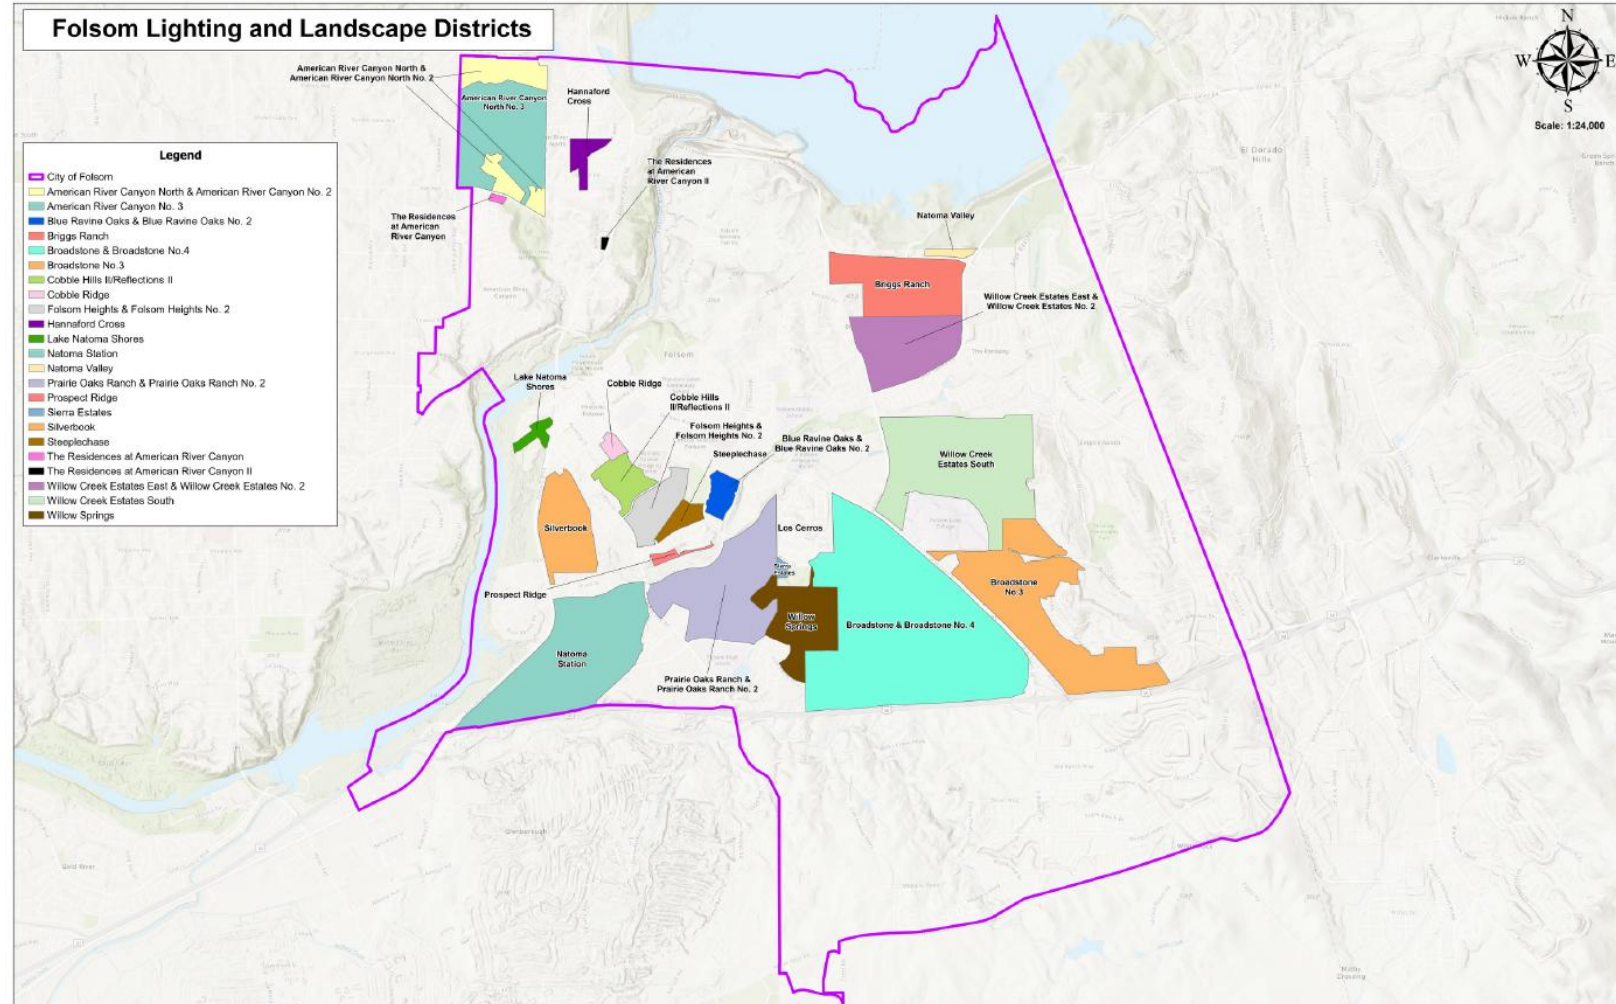

What is a Landscaping and Lighting District?

- Landscaping and Lighting Maintenance Districts (LLMDs) are funding mechanisms established by local governments in accordance with the State of California Landscaping and Lighting Act of 1972, Streets and Highways Code Section 22500, et seq. to provide landscaping and lighting services, facilities, or other improvements in a defined geographic area.

Background

- The City of Folsom has 30 Landscaping and Lighting (L&L) Districts that maintain publicly owned landscape, streetlights, paths, sidewalks, open space and other assets.
- All L&L Districts are formed pursuant to the Landscaping and Lighting act of 1972 and Article XIID of the California Constitution.
- Folsom has districts that range in size from 10 to 2,370 units.
- Most Districts within the City were formed prior to proposition 218 (1996)

Engineers Report Process

- The annual Landscaping and Lighting Engineers Report process is a three-step process.
- **Step 1** - A Resolution Directing the Preparation of Engineer's Report (completed on February 24, 2026).
- **Step 2** - A Resolution Approving the Preliminary Engineer's Report for the Landscaping and Lighting Districts for Fiscal Year 2026-2027 and Setting Public Hearing (March 24, 2026).
- **Step 3** - A Resolution Approving the Final Engineer's Report (Public Hearing) planned for April 14, 2026, at 6:30 p.m., at the City of Folsom, City Council Chambers, 50 Natoma Street, Folsom, California 95630
- **Additional Step** - *Between step 1 and 2 the Municipal Landscape Services Manager presented the preliminary budgets to all Landscaping and Lighting District Advisory Committee members to allow them to review and provide comments. This step was completed on March 19, 2026.*

- The committee meets at 5:30 p.m. the third Thursday of each month in the R.G. Smith Room at the Folsom Community Center, 52 Natoma Street.

Natoma Station Landscaping & Lighting District

Font Size: [+](#) [-](#) [Share & Bookmark](#) [Feedback](#) [Print](#)

The Natoma Station Landscaping & Lighting (L&L) District funds the upkeep of neighborhood amenities including landscaped areas, lighting, irrigation, and small parks. The district is funded through annual property assessments approved by local property owners.

In recent years, service levels have been impacted due to the district's assessment revenue falling short of maintenance costs. The City of Folsom is working with residents to explore long-term solutions that support the neighborhood's appearance and quality of life.

Community Meetings and Updates

Past Meetings

The City of Folsom has hosted several public meetings to inform and engage residents. These meetings provided opportunities to review the proposed assessment, understand impacts, and discuss next steps.

- March 13, 2024: Initial neighborhood meeting
- May 20 and 28, 2025: Community meetings following ballot results
- January 22 and 29, 2026: Community meetings on the proposed new assessment 2025-2
- March 5, 2026: Final community meeting on the proposed new assessment 2025-2

Presentations and materials from those meetings are available below.

Timeline

This is a multi-phase process with public outreach and opportunities for resident input. The timeline has been adjusted to allow for additional staff analysis.

- **Step 1 (Completed June 24, 2025):** City Council adopted a resolution to initiate proceedings and authorize preparation of the Engineer's Report.
- **Step 2 (February 10, 2026):** City Council adopted a resolution to approve the preliminary Engineer's Report, declare its intent to form the district, and authorize mailing Proposition 218 ballots to affected property owners.
- **Step 3a (April 28, 2026):** The City Council will hold a public hearing for the proposed assessment.
Step 3b (April 29, 2026): Submitted ballots will be tabulated at City Hall in the Large Public Works Conference Room starting at 9 a.m. (50 Natoma Street) This is open to the public.
Step 3c (May 12, 2026): The City Council may adopt a resolution to approve the final Engineer's Report and confirm the new assessment based on the tabulation results.

Next Steps and Community Involvement

Financial Challenges and Assessment Vote
