ACTIVITY DESCRIPTION	

A property owner or owner's authorized agent who intends to conduct an operation or business that are regulated by the California Fire Code shall receive an operational permit from the fire code official. (CFC 105)

Conditions of Permit

The conditions, surroundings, and arrangements for the operation(s) or activities subject to this permit shall be in accordance with all applicable regulations. The premises shall be subject to periodic inspection by the City of Folsom to ensure compliance with the applicable regulations and any condition(s) imposed. The permit is subject to revocation for failure to comply with those regulations and any specific conditions that are in effect at the time of inspection.

In obtaining a fire department permit the applicant understands and acknowledges that Folsom Fire Department has the right to enter and inspect that for which the permit is issued for compliance within the rules and regulations enforced by the City of Folsom. The applicant acknowledges that right and agrees to pay all costs incurred by the City of Folsom in securing any judicial writ or inspection warrant to fulfill that right wherein the applicant fails to give consent for inspection.
